# WELCOME TO THE PUHINUI PRIZE GIVING SLIDESHOW FOR 2021

**This has been an uncertain year with many challenges and time away from school. We have worked through these challenges together and we will continue to move forward using our Puhinui school values. Our prize giving is different this year – but our core reason for prize giving has not changed. Today we acknowledge the hard work the students have put into their learning in 2021.**
